## INTERNSHIP SECTOR: ACCOUNTING

### ID: ACCOUNT1

#### The Opportunity

Ireland's capital is home to hundreds of registered accountancy firms, financial consultancies, private accountants, and individual practitioners. Dublin's financial hub is a bustling business center with boutique consultancy firms, investment advisers, lending institutes, and hedge funds. Dublin also has a thriving start-up company scene supported by local enterprise boards and financial advisors.

An internship at one of the leading accountancy firms in Dublin, can offer experience working with all types of business including Sole Traders, Partnerships and Limited Companies. As well as the opportunity to engage in a wide range of services including accounting, auditing, outsourced bookkeeping, payroll & management accounts, compliance accounting, taxation, company secretarial, startup advice, forensic accounting & more.

The intern will use accounting, tax, and payroll software packages, including Relate Accounts Production software, Thesaurus Payroll software, Revenue Online Service (ROS).

#### The Role

- Sage Accounts Production will be used on a daily basis and the intern will be responsible for maintaining Purchase Ledgers and Sales Ledgers and subsequently filing the necessary VAT Returns with the Revenue Commissioners.
- They will file monthly VIES and INTRASTAT returns declaring clients purchase and sales transactions with VAT registered businesses in other EU States.
- filing payroll taxes with the Revenue Commissioners.
- Preparation of Financial Statements for Sole traders, Partnership and Limited companies.
- Maintaining Purchase and Sales ledgers.
- Prepare and maintain Cash Receipts and Cheque Payments Books and bank reconciliations on a monthly basis for clients
- Use of various software (Thesaurus Payroll, Relate Accounts Production, Sage Accounts Production, Revenue Online Service, etc.).

#### Qualifications

- Undergraduate students or Graduates in a related field
- Preferably has a prior internship experience
- Team player with strong communication skills
- Eager to learn and result oriented
- Excellent command of written and spoken in English
- Good level of MS Office programs

## The Result

- Gain good knowledge of the day-to-day workings of an accountancy practice
- Be able to carry out many accountancy, bookkeeping, and taxation tasks

Location: **Dublin Ireland**

Start date(s): Rolling start date

To apply: Please email [admin@international-internships.com](mailto:admin@international-internships.com) for an application.

## INTERNSHIP SECTOR: ADMINISTRATION AND RECRUITMENT – MARKETING / DIGITAL MEDIA

**ID: ADMIN1**

### The Opportunity

This role of this Internship is to support the department manager in the end-to-end process of the Contract Services Department hiring process.

This role provides highly ambitious and motivated candidates with the opportunity to become a key part of an established team in fast paced company working in the Pharmaceutical and Biotech sector. Learning outcomes of the internship will include learning new software systems ATS and CRM, exposure to digital marketing and mentoring from a dynamic team of colleagues and management.

### The Role

- Updating and managing all candidate and client activity through an Applicant Tracking System and CRM
- Advertise and create push campaigns across multiple platforms to attract new candidates
- Preparing and formatting candidate biographies
- Preparing and sending requests for feedback to clients
- Assist in creating job postings
- Compile weekly metrics
- Marketing
- Liaise closely with our sales and client engagement team
- Create an exceptional candidate experience: every interaction with candidates promotes the Team Horizon brand
- Assist with scheduling candidates for interviews
- Create materials for candidate interviews
- Any other duties assigned by your manager

### The Person

International Internships LLC  
Tel: (941)375-2214  
[Info@international-internships.com](mailto:Info@international-internships.com)

[www.International-Internships.com](http://www.International-Internships.com)

- Strong communication skills, both written and oral;
- Demonstrated ability to work on own initiative and as part of a wider team;
- Ability to thrive in a fast paced and dynamic working environment;
- Strong administration skills with strong working knowledge of MS Office packages (Word, Excel and PowerPoint);
- High levels of professionalism and integrity;

## **INTERNSHIP SECTOR: CHIROPRACTOR – GENERAL HEALTHCARE**

### **ID: CHIROP1**

This centre is a progressive peak performance centre which is using cutting edge technology and superior knowledge to effectively empower people to achieve their greatest quality of life and health potential.

It is the only centre in Ireland offering the NeuroInfiniti Stress Response Evaluation. This test measures brain wave, heart rate and five other responses to stress. They can evaluate how a person is dealing with stress on the inside and then offer people choices to change how they respond to stress and to perform at their peak. Services include: Neurologically Based Chiropractic, Biofeedback, Neurofeedback, Brain Entrainment, Therapeutic Massage, Bars Therapy and Lifestyle Advice and Workshops.

#### **Duties include but are not limited to:**

- Observation of various treatments
- Participation in select treatments, when agreed with client
- General admin

#### **Qualifications**

- Undergraduate students (3rd or 4th year)
- Preferably has a prior internship experience
- Team player with strong communication skills
- Eager to learn and result oriented
- Excellent command of written and spoken in English
- Good level of MS Office programs

**Location:** Dublin (South) Ireland

**Start date(s):** Rolling start date

## **INTERNSHIP SECTOR: CONFERENCE & EVENTS - DIGITAL MARKETING**

### **ID: CONFDIG1**

This company is an international leader in knowledge-based products and services targeted at senior executives in the financial services sector. Specialising in retail banking and cards and payments, the Group is expanding its Insights and News service and is interested in hearing from individuals who have the relevant experience to join the team as **Digital Marketing Intern** in Westport, Co. Mayo, Ireland.

**The successful candidate will be trained in:**

- Create and co-ordinate email marketing campaigns
- Update social media channels
- Promote and co-ordinate webinars
- Update websites

This is an exciting opportunity for someone looking to learn about digital marketing in a busy global business.

Based in our Westport office, the position would suit an energetic, motivated individual with exceptional organisational, communications and writing skills. Previous marketing experience in a publishing or knowledge-based sector would be advantageous.

The position is a junior position and would suit a person with good administration skills and an interest in digital marketing.

**Location:** Medium-sized town (population avg 14,000) in West of Ireland

**Start date(s):** Rolling start date

**INTERNSHIP SECTOR: COMMIS CHEF – PASTRY**

**ID: COMCHE1**

This group of hotels is a bespoke collection of stylish Irish properties each with its own unique character and design situated in stunning locations across Ireland. The hotels include:

A 5 star hotel in Galway which is the exquisite creation of world renowned milliner Philip Treacy; a 4 star hotel in Galway combining stunning Victorian elegance with modern luxury and style and ideally situated overlooking bustling Eyre Square; an award-winning, 4 star hotel just north of Dublin, located on the banks of the historic River Boyne.

From luxurious rooms and suites, fine dining experiences, world class meeting and event facilities to breathtaking wedding venues. Each hotel offers a quintessentially Irish experience accompanied by the hallmarks of quality and service associated with the hotel group.

**Duties include but are not limited to:**

1. To prepare and produce breads, cakes, canapés, biscuits, pastries, afternoon tea and desserts etc (and any other ad hoc requirements within the baking/pastry area) for service to the standards agreed.
2. To liaise with the Head Pastry Chef in developing new ideas, making suggestions that enhance and improve the quality and products that we offer our guests.
3. To be responsible for ensuring all baking/pastry tasks as required are completed in accordance with the expected standard and in good time.
4. To ensure minimum wastage and maximum quality through effective planning and adherence to the standards laid down.
5. To ensure that any necessary ingredients are ordered and requisitioned in good time in order for you to complete the necessary tasks.
6. To be creative and innovative in sourcing new products/recipes within the baking/pastry section that can add to the overall experience of the guest – making suggestions and liaising with the Head Pastry Chef.
7. To work as part of the baking/pastry team – working together in a helpful, friendly and flexible manner, helping out where necessary, being helped where necessary.
8. To adapt the technical skills and procedure applied to baking and apply these to various other pastry/dessert tasks as needed.
9. To ensure that all equipment, fixtures and fittings are in perfect working order and report any defects to the Head Pastry Chef, or other Senior Chefs on Duty.
10. To be aware of in-house business levels, functions etc and pre-plan and prepare in advance for these events – liaising with the Head Pastry Chef at all times.
11. To comply with the HACCP procedures and practices in relation to ensuring food safety and high standards of hygiene in the kitchen – e.g. completing CCPs, temperature checks, accepting food deliveries and ensuring that they are stored properly.
12. To carry out cleaning duties in accordance with the defined cleaning schedules ensuring that these tasks are completed to the accepted standard – remembering to sign off on duties completed.
13. To adhere to Food Hygiene and HACCP Regulations and monitor any more junior staff to ensure that they do the same.
14. To complete a written handover for the following shift/Head Pastry Chef ensuring that you also receive a written handover when coming on duty – this enhances good communication between chefs in the section which is essential.
15. To comply with the company procedures on requisition goods, completing dockets etc.
16. To carry out ‘hands on’ training with new/junior staff ensuring records are maintained.
17. To monitor the standards of new/junior staff taking corrective action where necessary.

### **Qualifications**

- Undergraduate students (3rd or 4th year)
- Preferably has a prior internship experience
- Team player with strong communication skills
- Eager to learn and result oriented
- Excellent command of written and spoken in English

- Candidates should be enrolled in culinary college and have some previous experience

**INTERNSHIP SECTOR: HORTICULTURE – GARDEN CENTRE**

**ID: HORGAR1**

This is a family run business in a beautiful Georgian setting with over 30 years experience in growing and selling a huge range of garden products

Students will rotate through the centre’s various garden areas on a daily basis assisting with garden maintenance tasks, including but not limited to: propagation (seed), pricking out seedlings, potting , lining out , merchandising, arranging etc.

Garden maintenance will comprise at least 90% of a student’s activities. In addition, interns gain valuable hands on experience working with volunteers and learning specific gardening techniques from garden staff. Interns may complete a project related to their particular field of study or one of specific need of the Gardens.

Students will be expected to showcase a professional, friendly, and helpful attitude when engaging guests while completing garden tasks in a timely and quality manner. Students are expected to work in all tolerable weather conditions. Students should be in good physical health and be able to lift at least 50 pounds.

The intern will advance his/her horticulture skills in a public garden setting and should be amenable to the following requests:

- Available Monday – Friday & occasional weekend duties
- Willingness to work in adverse weather conditions
- Assist with Horticulture programs as necessary
- Work with Horticulture staff to maintain garden areas while learning more on the gardens collections
- Assist centre staff with special events as necessary

**Location:** City in West of Ireland

**Start date(s):** Rolling start date

## **INTERNSHIP SECTOR: HEALTHCARE ADMINISTRATION**

### **ID: HEAADM1**

This company has expanded to as many as 28 clinics across Cork, Dublin, Galway, Kildare, Kilkenny, Limerick, Waterford and Wexford. They are a fresh, innovative and forward thinking private Chartered Physiotherapy provider.

They focus on providing exceptional clinical excellence and great customer service to their patients. They offer a range of expert services to our patients and their Chartered Physiotherapists engage in continual evidence-based education programmes in order to remain at the top of their profession, so you can be assured of high quality care.

All of their Physiotherapists are Chartered, which means they are either Members of the Irish regulatory body for Physiotherapy – the ISCP, or the UK regulatory body for Physiotherapy – the CSP. Their physios regularly partake in internal and recognised external professional development courses to further their knowledge, expand their skill set and expertise, and meet training guidelines set down by The Physio Company.

Duties include but are not limited to:

#### **General Marketing and Administration**

- The administration intern will be observing work on the switch for the company.
- If appropriate the admin intern can take calls, and make appointments for the primary care services we offer.

## INTERNSHIP SECTOR: SOCIAL ENTERPRISE

### ID: SOCENT1

This group works at local and national levels, bringing together learners to share and learn together, at all stages of personal and organisational growth.

With a successful track record in Scotland, they are now replicating internationally as a social franchise.

#### Phase 1

- Induction and familiarisation with organisation and project.
- 1-2 week induction to meet all members of Academy team to familiarise intern with the different roles and functions within the organisation.
- Attend Academy programme to experience learning methodology and enhance understanding of social enterprise and our learners (beneficiaries).
- Development of work plan to ensure completion of project within given time scale.
- Needs assessment to identify which data are required for potential locations to ensure a useful and coherent baseline data set, support web optimisation and to ensure that suitable funding streams will be identified.

International Internships LLC  
 Tel: (941)375-2214  
[Info@international-internships.com](mailto:Info@international-internships.com)

37 S. Indiana Ave. Suite 115, Englewood, FL 33946  
[www.International-Internships.com](http://www.International-Internships.com)

- Involvement in mini projects to support the day to day running of the Academy. These will be based on needs at the time but will not interfere with the completion of the project and will enhance the interns skills and understanding of the organisation.
- Phase 1 review to assess both intern and supervisors satisfaction with progress and plan for project, to review any issues, support or training needs and to set specific targets for phase 2.

### **Phase 2**

- Collation and analysis of baseline data and identification of potential funding streams for potential hub locations.
- Collation and analysis of identified baseline data for potential hub locations to both create a cohesive dataset but also to identify any potential opportunities or threats in the international markets.
- Research on potential funding streams for potential hub locations or more general funding streams which could be used to enable the Academy to support pilot phases and set up in any location.
- Research and compile data to support web optimisation in new hub regions to enable greater market penetration.
- Involvement in mini projects where required (see above).
- Taking part in more Academy training if required, informal project related training with Academy staff members.
- Phase 2 review to assess intern and supervisors satisfaction with projects progress, to review any issues, and set targets for final phase.

### **Phase 3**

- Creation/refresh of systems for monitoring, analysing and managing market data and review of project.
- Develop/refresh processes, systems and tools for ongoing collation and analysis of market, web and funder data and present and train key members of staff.
- Involvement in mini projects where required (see above).
- Final project review to assess what intern has learnt and gained from the project and what the Academy can learn to improve the experience for future interns.

### **Qualifications**

- Undergraduate students (3rd or 4th year)
- Preferably has a prior internship experience
- Team player with strong communication skills
- Eager to learn and result oriented
- Excellent command of written and spoken in English
- Must hold or be willing to obtain UK internship visa

**Location:**                    **Edinburgh Scotland**

Ireland's largest online education company and we have just launched in the UK and international markets.

The candidate would be working on SEO campaigns online marketing and social media. The candidate would receive excellent experience in online and digital marketing.

The ideal candidate would have excellent English and excellent knowledge of the internet space.

**INTERNSHIP SECTOR: SOCIAL WORK/PSYCHOLOGY**

**ID: SOCWOR1**

This is a community based Counselling Service in the heart of Ballyfermot, Dublin, Ireland. We offer a confidential and caring service, with Counsellors who are trained to national standards. Their counselling is available to all - Male, female, young, old, people of any faith or no faith. Counsellors are trained in various modalities of counselling including Psychodynamic, Person Centred, Cognitive Behavioural and Integrative Therapy. Some of their Counsellors have been accredited for many years and others are still engaging in the final stages of their training and accreditation. They try to help people who cannot afford regular counsellor costs and chat through what is affordable at the assessment consultation.

Their underlying ethos is a Christian one, which means that they value each client as a person of worth and value and seeks to offer a caring and supportive space for recovery, self discovery and growth. All of us have incredible potential and have been created live life to the full -body, soul and spirit.

They also offer Therapeutic Play to 4-10 year olds and a small service to pre-teens and teenagers. Young children can really benefit from having a one to one therapeutic play session with a trained play therapist, when they are struggling with loss and bereavement, parental separation, stress or issues at home or school.

They have several therapists who are specially trained to work with pre-teens and teenagers who are struggling with loss, peer pressure, anxiety and other issues.

**Duties include but are not limited to:**

- Project work
- Social media
- Administration

## **INTERNSHIP SECTOR: SOCIAL WORK**

### **ID: SOCWOR2**

The centre is part of a support network working with Family Resource Centres (FRCs) throughout Ireland. The aim of the network is to represent the views of all Family Resource Centres nationally and provide practical support to Family Resource Centres involved in family support and social inclusion initiatives.

The aim of the Family Resource Centre programme is to combat disadvantage and improve the functioning of the family unit. The programme emphasises involving local communities in tackling the problems they face, and creating successful partnerships between voluntary and statutory agencies at community level. FRCs involve people from marginalised groups and areas of disadvantage at all levels, including on their Voluntary Management Committees.

Key services provided by FRCs include:

- The provision of family support, information and advice at local level.
- Practical assistance to community groups (such as training, information, advice and use of shared facilities).
- Education courses and training opportunities.
- Childcare facilities for those attending courses provided by the programme.
- After-school clubs.

**Duties include but are not limited to:**

- Project work
- Social media
- Administration
- Program development
