

Engineering/Architecture Internship in Ireland

ID: ENGARC1

Internship sector: Engineering/Architecture

Engineering or Architecture – Internship

Placement with a multi disciplinary engineering company. We would be looking for an engineering or architectural student who would be involved in design work during their time with us. We specialise in Building Certification so they would get excellent experience in compliance with Building Regulations specifically fire safety, structural design and accessibility.

The ideal candidate would have good English and would know how to use AutoCAD.

Location: City in West of Ireland

Start date(s): Rolling start date

To apply: Type the Internship code in the “Ireland Pre-Defined Placement ID Code” box on the Ireland Options Questionnaire in your application.
