This museum was launched in 2011 with a public appeal for historic objects. The response to that appeal illustrates the generosity of the Irish people: today there are over 5,000 artefacts in the collection.

Named as “Dublin’s best museum experience” by the Irish Times, the museum has been nominated for the European Museum of the Year Awards and has just been granted full charitable status.

Their goal is not to sell an ideology but simply to remember the past.

Duties include but are not limited to:

- Data collection
- Exhibit design and execution
