International Business Internship in NC

Position ID:	INTNLBUSNC
Start Date:	Open Until Filled
Location:	Charlotte, NC
Duration:	2+ Months
Compensation:	None

Company Description:

The Company is the worldwide leader in business networking and referral marketing. With 8,000+ chapters meeting every week in 73 countries, we have grown to over 220,000 member-businesses. Our members meet each week to share qualified business referrals and to grow personally and professionally with other fellow members. Join us as we throw a little octane on our new growth plan for the next decade. Strong leaders have tremendous earning potential and unlimited professional development opportunities. This is an exceptional opportunity for the right individual.

Internship Duties and Activities:

This role will incorporate operations management, marketing initiatives, international market research, and business strategy.

- Coordinating operations in the company's China office by liaising between the Charlotte HQ office and the national office in China
- Launching a China team with personnel in Charlotte and onsite in China
- Handling communications and marketing for China operations
- Managing projects and initiatives to foster growth and success in China
- Meeting specific goals to measure success of each initiative
- Conducting international market research
- Working with multiple departments and individuals throughout the organization
- Exhibiting a high level of trustworthiness and confidentiality when dealing with sensitive matters
- Contributing innovative ideas to the team and identify opportunities to add further value
- Putting together project reports to share updates and findings with the working team
- Presenting project reports to the senior leadership team during the project for feedback and at the end of the project to deliver clear recommendations and results

This internship is unpaid, and the intern is not entitled to wages. The Intern will meet with his or her supervisor on a weekly basis for feedback and direction on projects. In between these meetings, the intern will work closely with several senior and mid-level team members in various departments to learn more about how to succeed in his or her projects. The Intern's projects will be created for the purpose of this internship around her studies, interests and skills to further her education.

Minimum Qualifications:

- *Native speaker in Mandarin or Cantonese and fluent in English*
- A deep understanding of Chinese business and professional culture
- Experience working with Chinese business – ideally a U.S. organization with operations in China
- A 4-year degree with higher than a 3.0 GPA
- Ability to multi-task and manage multiple projects concurrently
- Aptitude in decision-making, problem-solving and teamwork
- Ability to work in and adapt to a fast-paced environment
- Flexibility to travel about 33% of the first year then scaling back
